Re: Founding of Terminus Chapter

Hello Jan –

Received your good letter of February 3rd on this. Believe it or not, yes, I do have the paperwork with the "founding date" for our local Terminus Chapter. Here goes:

- * First founding meeting (at Dick MacNary's) was September 13, 1969
- * Second meeting (at Jack Fulton's) to sign founding petition was December 6, 1969. Ten local TCA members signed this petition.
- * Petition presented to Southern Division TCA (at Titusville, FL) on January 11, 1970 and unanimously approved to activate Chapter.

This may all you need for your request but I have more info if needed.

Very truly yours,

Cc: Gary Gunter, Terminus Chapter
